

REQUEST FOR PROPOSAL (RFP)
UTAH TRANSIT AUTHORITY

19-03112TP UTA GIS Analyst

Utah Transit Authority (UTA) is seeking to contract a highly skilled GIS professional. The selected candidate will develop and implement a comprehensive Property GIS application that will support the documentation and tracking of UTA's real property activities. This functional work product will include numerous geospatial layers that A) are published for targeted consumption by the Real Estate Department, and B) help to enhance or create agency-wide coordination, and C) are accompanied by professional training resources (e.g., quick start use guides, mini-manuals, brochures, short videos, or a combination thereof). Relevant layers shall include UTA-owned parcels, facilities, corridors, leased properties, and other useful right-of-way features. The contract priority is to map all current UTA-owned properties with a secondary focus on capturing and mapping historic records.

The proposals are due Friday, August 23, 2019 by 2:00 pm.

Please log on to SciQuest at <https://solutions.sciquest.com/apps/Router/SupplierLogin?CustOrg=StateOfUtah>; If you have already registered, login and search by Utah Transit Authority or the RFP number (19-03112). If you need to create an account please select "Create Account" and then you can search UTA or the RFP number. If you need assistance please email the Utah Supplier Portal Support at sciquestadmin@utah.gov. Instructions to proposers are included in the RFP documents.

The contractor selected will be required to comply with all applicable Federal and State laws, regulations and certifications, and equal employment opportunity laws and regulations. UTA, in accordance with Title VI of the Civil Rights Act of 1964, as amended and will not discriminate against any interested firm or person on the basis of race, color, sex, age or national origin in the review of qualifications or contract award.
