

NOTICE OF PROPOSED SOLE SOURCE PROCUREMENT
this is not a competitive bid/proposal

The Utah Transit Authority (UTA) Procurement Policy provides that sole source procurements may be used only when the Award of a Contract is infeasible under other source selection methods, and at least one of the following circumstances applies: (a) The required goods or services are of a specialized nature requiring expertise that is only available from a single source; (b) The public exigency or emergency for the required goods or services will not permit a delay resulting from competitive solicitations; (c) After solicitations of a number of sources, competition is determined inadequate.

The UTA Purchasing Department has received a request to make the following sole source procurement:

Product and/or Service to be purchased: Siemens pn 97233640 Guiding Rod Assy for S70 Passenger Rail Car

Contract Duration: Single purchase of 8ea

Proposed Sole Source Supplier: Siemens Mobility

Estimated Total: \$53480.00

Sole Source Justification: Siemens has been identified as a "Sole Source vendor" for the following reasons:

Siemens is the original Guiding Rod Assy manufacturer, they are the sole owner of proprietary design and drawings for the Rods and structure. They possess the expertise and facility needed for this type of repair. They also have the necessary contracts in place with outside vendors to manufacture and repair components and parts based on the original design and drawings.
