# Transit Etiquette

## For the best riding experience on the UTA system, please remember to:

Stand and be ready to board as the bus or train approaches.

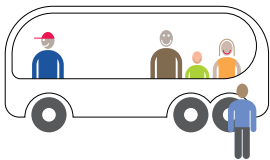

Have your pass or fare ready as you board.

**Electronic Fare:** *For passengers with electronic passes, please remember to "tap on" and "tap off" of card readers when entering or exiting buses or rail stations.*

**Cash Fare:** *Exact fare is required on buses.*

Bike racks are located on the front of the bus. When the bus has come to a complete stop, make sure your operator sees you, then safely and quickly secure your bike to the rack.

When possible, find a seat in the rear of the bus in order to make room for additional passengers.

For a faster exit, use the rear door to allow space for boarding up front.
