FLEX ROUTES

Flex Routes are a bus route that provides local service and connects to other UTA services. The service is unique because residents can use the planned route or they can call to schedule the bus to pick them up or drop them off up to 3/4 mile from the fixed route. These scheduled deviation requests are taken on a first-come, first-served basis and the bus may deviate up to two times each trip with restrictions.

The fare for the standard service at designated bus stops is the same as any other local bus or TRAX service. Call Customer Service for current fares at 801-287-7433. The fare for a scheduled deviation is the standard applicable fare plus \$1.25. The \$1.25 deviation fare covers both a pick-up and a drop-off deviation for one ride.

What does Curb-to-Curb service mean?

It means that UTA will stop at the nearest curb to pick-up and drop-off customers. They will also assist customers as they board. UTA does not provide door-to-door service and will not go to the door, knock or assist customers through the door of their pick-up or drop-off location.

The bus will not stop if the person requesting the deviation is not standing outside at the curb when the bus approaches the deviated stop request.

Because these routes are on a fixed route that can deviate off of route, the time points on this schedule are approximate. The bus can run 10-15 minutes after the listed time points throughout the day. The bus will never bypass a time point before it is scheduled to.

How do I schedule my deviated pick-up or drop-off?

Customers can call between the hours of 8:30 a.m. and 3:00 p.m., Monday through Friday to schedule a trip at 801-287-7433.

If you need an early morning trip (before 11:00 a.m.) the deviated request will need to be made the day before. Deviation requests can be made from 2 hrs up to 7 days in advance before the needed trip.

If you have any questions concerning this service or want to schedule a route deviation please call 801-287-7433.
